Dear Crafters,

It's another busy week at Ink About It! On Thursday, Jenn Shurkus is with us for Amuse card classes featuring stamps from the "Mandy's World" release. These are fun, all-occasion cards with a little glitter, simple ribbons, Copics markers and more! Enjoy a class with Jenn and make these great cards. Call today to reserve your seat now for Thursday morning or Thursday evening.

On Friday, Jen Starr will be teaching her Funky Flag mini book from 10am-1pm. The book is full of great

techniques and fun products. Jen is a designer and/or instructor for Prima, Tattered Angels Canvas Concepts and Ranger. She travels across the country and beyond teaching her unique projects to papercrafters of all levels. There are just a few open seats left. Sign up today for this workshop with Jen Starr.

The store will be hopping on Saturday with the 4-store **Holiday Express Bus Tour**, and Jen Starr will be our special guest artist offering product demonstrations throughout the day. All bus tour customers will get this adorable take-it & make-it project from our store, plus three more from the other stores. We still have a few seats left on the comfortable coach bus - so don't miss out - give us a call to reserve your spot now. It's sure to be a very fun day with shopping discounts, prizes, food, free gifts, various guest artists and more! Just \$60 for the entire event!

Later this month Barb Schmitz is teaching her popular **Coloring Tips and Techniques Tag Book**

Intro to Hybrid Papercrafting

with Ursula

Thurs, Oct 29th, 10-12:30

Let Ursula show you how to use Photoshop tools to enhance your paper crafting projects. Students do not need to bring a computer to class. Learn scanning, cropping, resizing and more.

Call today!

workshop. This is an inspiring class that helps break the habit that we all get into of falling back on our usual techniques.

Learn lots of ways to color and many different products you can color with - and it all comes together in a handy tag book complete with instructions for future reference.

Best of Luck - At the end of the month, Barb Schmitz is leaving her job at Ink About It to pursue a new career. Barb has been a member of our

staff for several years and has also become a good friend. We will miss her weekly presence and creative influence, but we are so thrilled for her and wish her all the best. Once settled into her new life as a Harvard graduate student, Barb hopes to occasionally teach a workshop or two at the store.

Workshops ([Click here for future classes.](#))

Many workshops fill quickly. We encourage you to put your name on a wait list so you will have first chance at registration if we re-run the class. Please bring a "tool kit" to all workshops except Intro classes. Call the store (978-392-0321) or stop by to sign up.
